

JANUARY 2023

BUCKEYE BREEZE

My Auxiliary Sisters,

Well over half of my year is over and my oh my how time flies.

I hope everyone had a beautiful Christmas and I know my Eagles Sisters will have a great New Year.

Looking forward to having new things happening in our Auxiliaries and if you do contact State Secretary Debbie or I and I will do my best to attend.

There are still some problems in our Auxiliaries and we need to work together to solve or work them out.

Started getting State Convention in order. Looking forward to seeing everyone at State Officers Night in Lancaster on January 21st.

On a different note, I would like to thank all my Eagle Sisters for their thoughts and prayers during the loss of my brother.

Your Snow Princess

SPEECH GIVEN AT LEADERSHIP BY STATE MADAM CONDUCTOR JANET HOLMES:

“Good afternoon, Sisters. As protocol has been given, I’d like to thank Norma Brookover for this assignment.

Sisters, today I am speaking to you about respect for your state and position.

Sisters, we are all in this great organization together to do better things for people hence our motto “People Helping People. When you were initiated at the beginning you were admitted into the meeting hall and the conductor stated that you were eager to assume the same obligation as binds us. You were escorted from station to station to hear what the officer spoke about. You remember your mom, your country, your God and loyalty. That last station of loyalty is just word if you don’t feel it in your heart. It isn’t an immediate feeling—it has to be cultivated. When you first join your Auxiliary you are a member but when you get involved it’s like planting seed, watering it daily, watching it grow and keeping the weeds from taking over the garden. Just as your seed grows, your loyalty starts to develop and you begin to boast about it, you then consider it “my Auxiliary” and you watch it grown with pride but you still need to keep the weeds out.

Many situations come up along our journey that we may not be happy about or disagree with. But we are all equal in this Sisterhood. We are Sisters and proud to be part of either your local Auxiliary, District Auxiliary or State Auxiliary. How many times can you say in your local or District you have taken an officer seat to just have the seats filled? I bet most of you have, including myself. Once year you are chaplain, the next year you are president and then you become conductor. Is this a demotion? No, by all means it’s filling a seat needing filled at the time. Please, Sisters be kind to each other. Please don’t judge or speak ill of another Sister until you know the correct answer to your complaint. Too many times I’ve seen disgust in some of you because you don’t like something or someone. I’m asking you to as of today take the high road and understand why things happen the way they do. As with everything, it all works out in time.

Sisters, please be proud of the Auxiliary you joined, the Auxiliary you helped grow with your input and hard work. I leave you with one simple phrase. Set an example, greet everyone with kindness and respect even those that are rude to you—not because they are nice, but because you are.”

--Janet Holmes, State Madam Conductor
