

A CHRISTMAS POEM FOR EAGLES

Christmas Day is finally here, and throughout every town
Most of us have the day off, our computers are down.

We've hustled and bustled to wrap up the year,
So now is a good time to breathe, sigh and cheer.

We've done what we could with these 52 weeks,
Some gains and some losses, some valleys and peaks.

If we gave it our best, what more could we ask?
There's no guarantee in this life.

The reports are completed, the data is in.
It's been quite a year, both the thick and the thin.
We've celebrated milestones with our fellow Auxiliaries.
We've said goodbye to some dear eagle friends.

It seems being a good leader is not for faint hearts.
It takes great patience and skill. They call it an art.
I know I'll never get bored at this job that I do,
There's always something to learn, and some charity to help.

And I will state here and now what really is true,
The important stuff happens between me and you.
It's the work one to one and then as a team
That makes it all joyful and makes our eyes gleam.

Old St. Nick sent me a text; he's just passing through.
He said: "Keep up the good work; I've got faith in you.
It may be hard at times, but hold to your dreams!
Don't forget about my list, if you know what I mean.

Lift up yourself and your team, and all work together.
Bringing good things to the world will take all of us.
Let's always remember we're People Helping People."

Merry Christmas and Happy New Year
from State Madam President, Kathy Jennings
and all of your State Officers

BUCKEYE BREEZE

DECEMBER 2024

Hello, Sisters

The holiday season is now in full force with Thanksgiving behind us and Christmas in only 3 weeks!

It was a delightful evening on November 9 as Bookworm Zora Griffith and I attended Lima Aerie and Auxiliary 370's Hall of Fame Dinner and Program. Zora and I enjoyed the decorations, the delicious meal, the beautiful program and the outstanding one-man band/singer entertainment. Congratulations to the Hall of Fame Awardees: Auxiliary Sister Margie Bryant and Brother Robin Mooney for their devotion and volunteerism to Lima 370 and People Helping People. Lima's Sisters and Brothers are to be commended for their dedication and support of Auxiliary and Aerie activities from dinners, dances, fundraisers for local and state charities, attending meetings, hosting zone conferences, being present and helping their own members when needed. Thank you Lima #370 for your wonderful hospitality and friendship!

I wish each and every one of you a very Happy and Merry Christmas as you spend this special time with your family and friends. Reflect on the precious memories of the past and look forward to the New Year with your heart filled with love and hope.

Love always, and God bless you All

STATE OFFICERS NIGHT BOARD MEETING

Board Meeting will start at 11 AM

Local Secretaries

Please check your emails as I will be sending out notices again as to what is needed to make your Auxiliary complaint according to the club health report from Grand Aerie.

STATE OFFICERS NIGHT INFORMATION IS INCLUDED IN THESE BREEZE

Why did you join the Eagles?

When you first heard about the Eagles, what did you think? Did you know what the Eagles did? Did you hear that we are “people helping people”? We all have our reasons for joining. We also all have our reasons for deciding how involved we wish to get within the organization. Are you a member who came in to enjoy drinks with friends and play pool or darts? Or do you attend regular meetings? Did you become an officer?

Some might start attending our meetings and helping with fundraisers. Giving a helping hand when needed. Join a committee who is doing a bake sale or a big dinner for one of our charities. This is a great way to be a great eagle member.

Then there are our auxiliary officers, who make it a personal mission to help keep our auxiliary moving in the correct direction. They attend the meetings, make sure monies brought in are going to the correct places, and help create committees to help with fundraisers. They also volunteer their time to help around the aerie home.

Next, we have our districts, you can travel to other aeries and auxiliaries in your area and see what our sisters are doing in other aeries to help our charities as well as their local organization that need help. We always need sisters to be district officers. There are between 8 to 10 meetings a year, once a month except during a zone conference months of October and April.

Twice a year, we join forces in our zones to learn what our district membership and charity fundraising so far looks like. We also get to see some of our auxiliary state officers and meet new friends and family from all over our area of Ohio. We also get to have an aerie state officer speak to us and sometimes there is a grand aerie officer also.

In June, after our fraternal year has ended, we all get together at State Convention and learn how many new members we have gained to help us on our mission and how much money we raised for our charities. There is also a ritual competition. A couple banquets and during Wednesday's banquet, we also find out who is honored to be inducted into the Ohio Hall of Fame for being a great member of this organization.

Then we finally head to International Convention somewhere within the United States and Canada to celebrate all our huge efforts to be “People Helping People”. This convention is held sometime either in July or August. You meet many great brothers and sisters and at least during the auxiliary meetings, we have a great time.

When Heather Callahan visited Ohio for the Northeast Zone Conference, she shared many things with us, but something that I think is the most important is that we are all equals regardless of where we are in the organization. Whether you wish to be a member or officer in your local auxiliary, become a district officer, a zone or state charity chairman, a state officer or a future Grand Madam officer. You are important. It doesn't matter how many meetings you might have to attend on your journey, but you are our sister and you are in our hearts always.

Be proud of being a member of a great organization that helps people in so many ways. The Fraternal Order of Eagles is a huge benefactor in research efforts for diabetes due to the building of the Diabetes Research Center at the Iowa University. The state of Ohio gives to many great charity organizations, as well, I am sure your local auxiliary does. We always look forward to seeing you on the eagle trail.

God Bless, Kelly Beech

Greetings to our Sisters in the Northwest Zone!

The purpose of this note is to ask for your support and assistance in a very worthwhile cause. For those who do not know, my name is Ruth Babel-Smith, and I am your NW Zone Chair for the Village Network charity. The Village Network raises funds for a residential education program that centers on at-risk youth, allowing the students of this program to gain necessary skills in order to overcome their negatively impacted environments.

During the State Conference this past summer, several participants within the Village Network came to tell us their stories, how they benefitted, and thanked us for our support. Everyone loves a success. The Village Network provides the opportunity for these students to write their own success story.

I also want to say **Thank You** to those Aeries and Auxiliaries who have graciously allowed me to sell 50/50 tickets. As I travel through the NW Zone, I know I cannot be successful without the help of my sisters. I welcome anyone who would like to pitch in. Whether it is selling a round of 50/50 tickets, sponsoring a fund-raising event, or making a donation, any help would be most appreciated. If you choose to hold an event, please me send the date of that event (My contact information is below). Not only would I will make every effort to be there to lend a hand but our State Village Network Chair, Cindy Zamora, might come and help out as well!

All donations can be sent in the form of a check made out to **Ohio State Auxiliary**, with **Village Network** written on the Memo line. Please mail checks to:

What did you miss at ECR in the beginning of November?

Joe Horn and Minda Bess did a great job as our ECR presidents for setting up the conference with good speakers for our learning sessions. Using brothers and sisters from Ohio and Michigan, we had a large amount of topics covered.

*Mentor Your New Members – It is important to make new members feel welcome and involved in your local aerie fundraisers and functions.

*Mediation/Conflict Resolution – You can find pages to assist you with this on foe.com. There are some things in your constitution as well.

* Retaining Members – Call members when you have not seen them awhile. Give them jobs to do when you are at the aerie, like putting out salt and pepper shakers for a dinner.

* Compliance – There is a compliance guide you can get from the Grand Aerie office. It includes a checklist to make sure your home aerie is in compliance. It includes: General Liability Insurance, Bond/employee dishonesty coverage, Liquor Liability Insurance, Current Affiliation Agreement, Auditor & Treasurer Reports, Current 990, No money owed to Grand Aerie, and House Rules

*Ritual – Keeping the ritual a part of the Eagles. Our ritual is unique to any other fraternal organization and it shares our principle of Liberty, Truth, Justice, Equality, Home, Country, God and Loyalty.

*Dedication – Be a dedicated member to the organization. Attend functions or help around the aerie home. Any little help can make a big impact on our efforts.

* Honoring Those Who Serve – Honor your long time Eagle members. These brothers and sisters have led the way to help us be who we are in our local aeries.

*Recruiting Those Who Serve - This includes free first year membership to our service providers, like Police, Fire, Military, Veterans and Correction Officers. Let them know about the program to encourage them to come aboard and see what great things we do.

*Saluting Those Who Serve – Does any of your members give above and beyond? Have you ever thought to do something special for them during a function to show your appreciation for all their hard work? Recognition for a member's service within the organization is a small token of what they give you and our organization as a whole.

Sue Reddish is selling a 50/50 until NE Zone conference. \$5 a ticket with half going to the winner and half going to Diabetes Fund. She will be selling tickets until spring zone in April and should have them on her if you see her before then. She was given permission from

Wapakoneta to sell at State Officers weekend January 17th - 19th. The last one raised almost \$400. Please help her once again. Thank you.

Don't forget to get your 42 draw tickets for Imagination Library. The drawing is coming up soon in Wellsville #772 at 6 pm on December 14, 2024. There will be (40) \$25 winners, (1) \$200 winner and (1) \$300 winner. Your tickets can go back in the hopper 41 times. \$10 donation for a ticket. There will be a Chinese auction, 50\50 and food available at the event. Winner need not be present and you can pay through Venmo, Cashapp or Zelle. Please contact:

Giving with Gratitude At Geauga Aerie #2261

They gave out a total of 10 checks for \$5000 each to help local fire departments, police departments and shop with a cop in Geauga County.

Garrettsville #2705 had an amazing turn out for their annual toy drive.

Thank you Garrettsville Eagles for the work you did to help bring a smile where none has been for children at Christmas. Keep up the great work.

Hey Sisters! Just a friendly reminder that the bowling tournament is scheduled for March 7-9 and March 14-16 in Ashland. The time is here to send your team entries in. Currently we have both weekends available.

To get an entry, email me @

Michele88stover@aol.com, text or call me,

937-417-7272, ask your Auxiliary Secretary for a copy of the entry (it was in the buckeye breeze) or go online to Ohioaux.com and all information including Aerie activities and hotel information.

Thanks for all the support and get them balls out and ready to roll.

Dear Sisters,

First I want to say Thank You to all the sisters that have taken the time out of their busy lives to attend the Auxiliary Officer training classes that we have held so far this year. We have had great attendance at all of them as well as great participation with questions. We have another one coming up in Medina #2224 December 28th and it will be Aerie and Auxiliary local officer training. We are trying our best to get out there and give you the tools you need to make our Auxiliaries as successful as we can.

If your Auxiliary is interested in hosting one please reach out to us at ohiostateauxfoe@gmail.com

I hope everyone has a blessed holiday season. Please stay safe and warm!

Stacey Mack

Ohio State Madam Secretary

I saw this on Facebook at had to share for before the holiday!!:

Son: Dad, I think I'm old enough now. Is there a Santa Claus?

Father: Ok, I agree that you are old enough. But before I tell you, I have a question for you. You see, the "truth" is a dangerous gift. Once you know something, you can't unknow it. Once you know the truth about Santa Claus, you will never again understand and relate to him as you do now. So, my question is: are you sure you want to know?

After a brief pause....

Son: Yes, I want to know.

Father: Ok, I'll tell you. Yes, there is a Santa Claus.

Son: Really?

Father: Yes, really. But he's not an old man with a beard in a red suit. That's just what we tell kids. You see, kids are too young to understand the true nature of Santa Claus, so we explain it to them in a way that they can understand. The truth about Santa is that he's not a person at all; he's an idea. Think of all those presents Santa gave you over the years. I actually bought those myself. I watched you open them. And did it bother me that you didn't thank me? Of course not! In fact, it gave me great pleasure. You see, Santa Claus is **THE IDEA OF GIVING FOR THE SAKE OF GIVING**, without thought of thanks or acknowledgement. When I saw that woman collapse on the subway last week and called for help, I knew that she'd never know that it was me that summoned the ambulance. I was being Santa Claus when I did that.

Son: Oh.

Father: So now that you know, you are a part of it. You have to be Santa Claus too now. That means you can never tell a young kid the secret, and you have to help us select Santa presents for them, and most important, you have to look for opportunities to help people. Got it?

PLEASE BE A SANTA CLAUS BY HELPING PEOPLE FOR THE SAKE OF DOING IT, NOT FOR RECOGNITION AND NOT JUST AT CHRISTMAS TIME... WE ALL NEED A BIT OF SANTA MAGIC

Hello Storyteller, Books and Characters,

As we counted all our blessings last month, we are now bicycling our way through Ohio's Imaginary Library for the F.O.E. getting more Children's Books and Novels for our Storyteller. What a wonderful Christmas present for our Storyteller. Characters be sure and keep warm, wear those hats and gloves as you bicycle through Ohio's Imaginary Library for the F.O.E. looking for those Children's Books and Novels in December. Keep your eyes open also as you may look up and see Santa and his Reindeer.

This bookworm is proud to announce that we are still working on our quota as we pedal though Ohio's Imaginary Library for the F.O.E. Our quota for Ohio this year is 4,776, we had 574 new Children's Books and Novels for the month of November. Our total for the year now is a 3,710, great job Books. It pleases this bookworm to announce that 15 Book Stacks made their quota and 2 Book Stacks doubled their quota in November for the year. I'm sure Santa as well as our Storyteller will be pleased when they hear what a great job all the Characters are doing for our Storyteller this year. This bookworm was told that Santa's elves are busy helping you Books to put away all those Children's Books and Novels in our Book Stacks.

As this bookworm, wormed her way through Ohio's Imaginary Library for the F. O.E. I was invited to join our Storyteller to Lima #370's Hall of Fame Award program and dinner. One Aerie member and one Auxiliary member of Lima #370 were presented the awards for all their dedication and hard work over many years. The hospitality, program, food and music were wonderful. We both had a great time, and they surprised our Storyteller when they presented her with two checks for her charity this year (one from Aerie and one from Auxiliary). Thank you, Lima.

Characters you have been riding your bikes hard this year, take time to enjoy the holidays and the festivities, but remember to keep riding those bikes after the festivities and continue the good work into the New Year as we work towards that +1 quota for our Storyteller this year.

This Bookworm appreciates all the friendship and hospitality everyone has shown me this year and I wish a Merry Christmas and a Happy New Year to all the Books in our Ohio's Imaginary Library for the F.O.E. See you next year. God Bless and love you all. 🤗🤗🚲
